WHAT'S THE STORY?

For Christian woman in need of a daily dose of comfort and inspiration during these tough times comes **A Cup of Comfort® for Women of the Bible Devotional: Daily Reflections Inspired by Scripture's Most Beloved Heroines** edited by James Stuart Bell and Susan Townsend. Love, motherhood, sadness, joy, grief—everything is explored in this book. Featuring twelve first hand, poignant stories for each month and a year's worth of daily reflections, readers will gain strength and courage to face life's obstacles through highlighted biblical heroines.

WHAT DOES IT MEAN FOR YOUR AUDIENCE?

A Cup of Comfort® Women of the Bible Devotional is one of few books to focus solely on women in the bible. Inside readers will meet Betty who finds the wisdom she needs from Martha when she feels too busy and overwhelmed with life to talk with Jesus and Susan who lost her husband to colon cancer and learns through the example of Elizabeth to rejoice with others who recover from the same type of cancer. In **A Cup of Comfort® Women of the Bible Devotional**, the power of these biblical women will inspire readers to call upon God's love, help, and grace whenever needed.
